- Lagnesh Shukra is exalted in the 11th house. Good. It is retrograde, but as it is lagnesh, and also it gets aspect of benefic Chandra, so fine.
- For Business Administration we need the connection among 2nd, 5th, 10th and also 3rd too some extent. Lagnesh Shukra is placed in the 11th and aspecting the 5th house. 3rd lord Chandra is placed there. 10th lord Shani is placed in the lagna. He is 9th lord also. 2nd lord Budh is placed in the 9th. So the connection is there. Also, we need Budh for this kind of stream. Budh is well placed in the 9th. Involvement of Budh and Shukra along with this combination denotes MBA is the right direction to head on. Involvement of strong Shukra gives aptitude for Marketing.
- Now, she is going through Rahu-Budh dasha. Budh is placed in the 9th house. This is very good time. It will last from around 2021 Jan to July 2023. Around two and half years. Use this time wisely and productively.
- Especially the time is better from April 2022 to July

2023 as in transit Ketu has left the 8th house.

- From July 2023 to Aug 2024, native will go through Ketu dasha. Ketu is placed in the 8th house. This time is bad. She will face obstacles. This time Shani will be in the 10th house in gochar also.

- However, from August 2024 to Aug 2027 she will go through Shukra dasha. Again a very good time. Especially from 2025 as Sat will leave the 10th also in gochar. Time to rise and time to get job as Shukra is the 6th lord also.

- However, retrograde Shukra can create some relationship complications.

- Shukra is Lagnesh. It is retrograde. So you can wear a white diamond (50 cent- 100 cent). Make in white gold ring and wear it in the morning of any Friday during Shukla Paksha, wear it in the middle finger. For Purification and activate the Diamond gemstone , dip the ring in milk, honey and pure water, for 20 to 30 minutes, Burn 5 incense sticks to Name of God Venus and pray that you are going to wear the representative gemstone Diamond to have Blessings from God Venus. Then take out the ring from the pure water and round it up the incense sticks 11 times while speaking the mantra“ Om Shukra devaya namah“ after the mantra you can wear it.
